

**If They
Bomb
Iran
You Get
Drafted**

**Should Cheney be Impeached?
Text **"IMPEACH"** to **30644** to
Vote Yes ... or get the Voices
application for the Facebook
platform and speak out now.**

 Hi, **Your Friend** just made their voice heard.

With the Voices application for the Facebook platform you can send real time messages to your members of Congress with one click. **Just search for "Voices" in the applications section**, or type http://apps.facebook.com/fb_voices into your browser. You can even create your own action pages on any issue and start a political movement of your own.
